So far Congressman Vandiver has failed to let the melodious music of his voice be heard in the present congress.

Judge Connelly, of Bloomfield, says he is not a candidate for Congress—don't want the office. The Judge is a modest man.

Gen. Lawton was killed by Filipino sharpshooters while leading his army in battle in the Philippines Monday morning.

The Boers are fighting for principle—for right—for liberty against oppression, and all Christian nations are in sympathy with them.

Cape Girardeau business men, Cape Girardeau christians and Cape Girardeau politicians are learning that it is policy to stand together.

The killing of Gen. Lawton will give the Democrats in Congress another opportunity to make spread-eagle speeches against retaining the Philippines.

The Jackson court house is not what it ought to be for a rich county like Cape Girardeau, but there are lots of men who would like to hold office in that old rookery.

The Salvation Army has abandoned Jefferson City as a field of operation. Harry Edwards says this is a compliment to the Jefferson City churches, as they occupy the field so completely that there was no room for the Salvation Army.

In Saline county democratic candidates are already officially announcing their ambitions in the newspapers. Saline raises as fine a crop of democrats as the world affords, and its crop of candidates never fails.

Gabriel will blow his trumpet to warn the people of the end of time, but the tax collector of Cape Girardeau county don't do things that way. He sends the constable of Byrd township to swoop down on the poor devils without any warning.

We are not going to "hush up" any longer on those Jackson chaps who make a specialty of fighting every enterprise that we have in Cape Girardeau. Cape Girardeau put the fat on the ribs of a number of those Jackson kickers, and Cape Girardeau will take that fat off.

Colonel Dick Dalton of Rails county, who was a leading candidate for the democratic nomination for governor in 1892, is a single taxer in practice as well as in theory. He refuses to pay his personal tax this year and will test the state's right to collect the tax. This is a practical example of the single tax. The Herald is edited by Benjamin Franklin Lusk, who is also teacher of the young Americans in Jackson. "Why don't you run a store like that?" said the publisher of the country sheet as he turned the paper over and pointed to a full page advertisement that brought the publisher \$450 and issue. Just then the country publisher presented a bill for \$5 and the merchant began to talk of economizing, discontinuing his advertisement and stopping his paper. He did both and the sheriff is now doing his advertising for him.

THE ST. LOUIS GLOBE-DEMOCRAT is unquestionably one of the greatest of American Newspapers. It has correspondents everywhere and covers every field of news, foreign and domestic. It is strictly Republican in politics, but is, above all, a NEWSPAPER, and ought to be in every home during the important presidential campaign of 1900. The price by mail, Daily, including Sunday, is Six Dollars per year. Daily without Sunday, Four Dollars per year. Sunday only, Two Dollars per year. Weekly, issued in SEMI-WEEKLY Sections, One Dollar per year. The latter edition is a BIG SEMI-WEEKLY PAPER, almost equal to the average Daily at the price of the average Weekly. It not only gives ALL THE NEWS, but also a great variety of interesting and instructive reading matter for every member of the family. Write for Free Sample Copies to the Globe-Printing Co., St. Louis, Mo.

The large majority which the administration had in the vote on the finance bill in the House will be exceeded when the expansion question comes up. A bigger break will occur in the Democratic ranks on the issue of keeping the flag up in the Philippines than took place on the gold standard question. On all the great issues before the country the administration is bound to have a large majority. It will have the good fortune, too, of making the enemies of the administration help to roll up this majority. That lead of a little over a dozen votes in the House which the Republicans have will be increased largely on every division on important questions which can confront the country between this time and election day next year. This is a distinction which very few administrations in the history of the country have ever enjoyed.—Globe-Democrat.

WHEREAS, on the first day of August, 1899, William Green borrowed of the county of Cape Girardeau, in the State of Missouri, the sum of nine hundred dollars, belonging to the capital school funds of the following described school townships in said county, in the several amounts set opposite thereto respectively, viz:

Township Number eight (8). \$25 00
And to the Public School Fund of said County..... 855 00

And, whereas, in consideration of said premises, and to secure the payment of said sum of money when same should become due, on the first day of August, 1897, the said William Green executed and delivered to said county, for the use and benefit of said capital funds, his certain mortgage and deed whereby he conveyed to the said county the following described lots, tracts or parcels of land, lying, being and situate in the county of Cape Girardeau and State aforesaid, viz:

All of the east half of the southeast quarter of section twenty-one, except twenty acres sold out of the northeast corner thereof by the heirs of Saml W. And whereas, the county court of Cape Girardeau county, by an order made and entered of record on the tenth day of November, 1899, doth find that default has been made in the payment of said sum of money, according to the tenor and effect of said bond, and that the said William Green is now indebted to the said county for the use of said School Township and County School Funds in the sum of nine hundred and forty-four and 30-100 dollars principal and interest due and unpaid on said bond.
